

Mount Pleasant Extra!

Newsletter 29 | 25th May 2018

Play Times

We are trialling a new system at play time, centring around a rota of activities which can be played on the large blue surface. Over the week, the school council has selected a number of different games and activities which children can choose to join. Any child who does not want to take part in that activity will still have the choice of bikes, playground games, quiet area, animals and gardening.

The children have always played well together, but the School Council suggested this change so more children could be involved in a greater selection of games over the week.

RAF Baton Relay

All children who attend school, EYU—Y6, will take part on Thursday 31st May, in the RAF 100 Baton Relay. This will take place in the corridor between the WOSM and 12 Fac—please come to support the children. As the replay is at the end of the school day, all children will require collection from the Goddard Room at 15:15. There will be people around to ensure you can gain entrance to the WOSM to access the collection point.

On Monday, as part of our 'There but not there' campaign, we will be asking each child to bring home a sponsorship form. This is sponsorship for taking part in the event rather than for a specific number of laps. Please consider giving generously to this project as the children are excited to be raising money for this cause (which will directly benefit so many military charities) and the whole school looks forward to receiving the 6ft 'Tommy' to install in the grounds of the new school site.

Events.....
