Dear Parents,

I am writing to hopefully persuade you to send your child/ children to Mount Pleasant Primary School (MPPS). This delightfully exemplary school is the only military school on the Falkland Island. As a pupil of MPPS myself I find coming to this impressively impressive school is an opportunity of a lifetime especially seeing as we're in such a unique environment.

At our school all children are at the centre of every decision that is made. An example of this is our amazing education where we have an enhanced, creative curriculum and many experienced, excellently qualified staff. Furthermore we encourage the children to work to the best of their ability. The children really enjoy the huge amount of exciting trips and visits which are organised as well as inviting and meeting visitors, like yourself, into school. For example this year so far we have visited Bertha's Beach and we have visited air traffic control department to celebrate RAF 100; we are also planning to visit Stanley museum. The Falkland Island conservationist came to share his knowledge, additionally we have regular military personnel in school to pass their expertise to us.
