

Our after-school clubs which were specifically chosen by our school council teach us a range of skills for example: football (with a qualified coach); a sewing club (cross stitch); and we have also made suggestions to include an outdoor 'Bear Grills' adventure style club.

Let me tell you about our incredible sports facilities. Here at MPPS we have a lot of physical education. The fact that we can access a large gym hall and our local swimming pool is incredible seeing as we are a small school.

Surely your child likes pets? At MPPS we have 3 ducks and 7 chickens - which lay some eggs for us - that are named after our school values. Furthermore we have a guinea pig called Scratchy - who would love to meet you. We care for our pets loads!

If your child enjoys playing music MPPS is an **AMAZING** place for them. We have weekly music sessions to help improve our musical talents. Y5 and 6 have brass lessons with Mr Mc Jamie (he's really known as Mr Mc Vicar and his first name is Jamie) and Y3 and 4 have ukulele lessons with Mr Kille via Skype. In addition to this we will have a music week in July when Mr Kille comes down to the Falklands.

I'm excited to tell you about our **FANTASTIC** school council, who to the best of their ability, take our amazing school even further. They support pupils by
