

giving them a voice and work as a team with teachers. I am very proud to share with you that I am the chairperson!

Undoubtedly we have some excellent, superb staff. We have 5 main teachers: Mrs Dean who teaches early years; Miss Schofield who teaches FS; Mrs Eatonbell who teaches KS1; Mrs Margerison who teaches Yr 3 and 4; and last but not least Ms Summers who teaches Y5 and 6. Moreover we have some talented TA's: Mrs Hayward who helps with early years; Mrs Kelly who helps with FS; Mrs Sharzell who helps with FS; Mrs Dunn who helps with KS1; Mrs Parker who helps with KS1; Mrs Greaves who mainly works with lower KS2; Mrs Hayward (same name) who mainly works with upper KS2; our wonderful receptionist Mrs Willbond and Mrs France; and our amazing business manager Mr Crofts. Also we have our headteacher Mr. Margerison.

Futhermore we have an experienced art teacher - Mrs Watson - who is also qualified to teach secondary school. She is teaching us to make collages with birds that you find around the Falklands; our focus is on the artist Mark Heald. In addition to that we have had an RAF 100 week which had many artistic activities.

I am sure you would agree that our school values underpin our school ethos. Our values are encouraged
