

## A fantastic turn out...

It was very nice to see so many parents attending the parent open evening and chatting with the teaching staff. Written reports, which are sent out each term, are a useful way to share information about levels of attainment, one to one discussion opens up the shared knowledge between parent, child and teacher and provides a way forward to develop and extend learning. I hope you went away with a greater understanding of how your child is progressing and also enjoyed hearing about your child and how well they have developed at Mount Pleasant School.

## Remembrance Art Project

Outside school today you will have seen the outcome of our remembrance art project. Here are some photographs of the children learning different techniques in order to produce the learning on display in our sensory garden.

## Key Stage 1

Mrs Eaton—Bell will be returning to the UK on Friday 16th and will be back on Friday 23rd November. From Friday 16th to Thursday 22nd KS1 will be taught alongside Foundation Stage 2. If your child is in KS1, please take him/her to Mrs Bradbury each day and collect them from her classroom at 15:05. We will be back to the regular classroom from Friday 23rd November.

# Mount Pleasant Extra!

Newsletter 10 | 9th November 2018

## FA Visit

On Monday afternoon the normal KS2 PE lesson will be taken by FA coaches who have been visiting the islands over the past few days. As with our normal Monday PE session, children will need their PE kit in school.

## 13th and 20th November—no swimming

Please note that there will be no swimming lesson on the 13th or 20th November. Swimming will resume on the following week (27th November) which will be the final swimming lesson of the term.

## Forest School and First Aid Training

We are pleased to let you know that in the next three weeks a number of staff in school will be studying for a L3 qualification in Forest Schools and L3 First Aid Training. You may find that your child will have had a different teacher or support assistant over this time to accommodate this training which will benefit everyone in school.
