Assistant Chief Education Officer visit

We have really enjoyed working with Mr Yeoman across school this week. He has had the opportunity to meet staff, children, parents and SGC members.

This visit has given Mr Yeoman the opportunity to see how well we have settled into our new school and to support us as we make progress towards our school improvement priorities. We anticipate that we may receive an Ofsted visit before the end of next term, therefore his visit is even more timely.

Mr Yeoman is very impressed with our new school premises and can see how much it has enhanced our learning and our enjoyment of school.

Lunchtime

Thank you to those parents who were able to join Mr Yeoman at the parent's meeting on Wednesday. I'm aware that some parents would like to find out more about how lunchtime works and how lovely our lunches are. We plan on inviting parents to lunch in the near future so 'Watch this space!'

WOPS—Wider Opportunities in Music

KS1 and KS2 children are very lucky to be able to take part in weekly WOPS sessions with Cyprus Music Service teachers via Skype. Children will bring home their instruments and ideas for practice after their lessons. Please encourage children to practise at home and to take great care of their instruments.

For your information:

Monday — Y3/4 Ukuleles need to be in school for tuning, in advance of Tuesday's lesson.

Wednesday — Y5/6 Guitars need to be in school for their lesson.

Friday — KS1 Ocarinas need to be in school for their lesson.

Mrs Clarke is looking to set up some music sessions during playtime when children can choose to practise.

Suncream and Coats

As we aim to be prepared for all forms of Falklands weather, please apply suncream to your children *and* send them to school with a coat.

Have a good weekend!
