

We finished this half term with an exciting Forest School session where the children created shelters to protect their meeting places, and ensured that the Falklands weather didn't get in the way of their enjoyment!

Communication

As a school, we continue to work to hard to ensure that we communicate well with parents, children and the wider community. With this in mid we are taking a number of actions. These include:

- **Website**

If you have a look on our school website, you will see that we are in the process of updating it. We have uploaded new Behaviour, E-Safety and Anti-Bullying Policies and new welcome pages.

Have a look!

- **Questionnaires**

After the break, we will be asking parents, children and staff to complete questionnaires. These will help us to find out what we are doing well and what could be better.

Please take part!

- **SGC Information Session**

We plan on giving parents an opportunity to meet with members of the SGC, to give your views, first-hand on school and to find out about being a member of the SGC.

Date to follow!

Visitors

- This week we welcomed Miss Wood, our Early Years' Advisor, who really enjoyed her time working alongside EYFS staff and meeting our children.
- After half term we will be welcoming Mr and Mrs Betley, from the Music Service, who will be working across school to deliver music sessions to all our children.

Have a great Half Term Holiday!

Louise Brown
