

Mount Pleasant Extra!

Newsletter
28th February 2020

We have had a great first week back at school.

Visitors in school

Mr and Mrs Betley have arrived on island and ensured that our week ended on a high note with a musical assembly, performed alongside Mrs Clark. As you know from the previous newsletter, Mr and Mrs Betley are from the Music Service and will be delivering music sessions to all our children next Monday to Thursday.

Whole School Concert

Next **Thursday 5th March** from **14.00 -15.00** you are invited to attend our concert in the hall. All children will take part share and to celebrate the work they have been doing with Mr and Mrs Betley.

Health Visitor support

Following discussions with the Medical Centre Practice Nurse, we are aware that the Health Visitor from Stanley plans on spending 1 day per month at MPC.

On her next visit she will be undertaking **Nasal Flu Vaccinations**, alongside the Practice Nurse. She also plans on hosting some drop-ins, based at school. Dates to follow.

We have attached a BFSAI Travel Health questionnaire, which you should complete and return to the Medical Centre if you need advice on vaccinations.

Nasal Flu Vaccinations

Please return your consent forms before 3rd March, in advance of the Nasal Flu vaccinations, which will be undertaken, at school, on 10th March.

Have a good weekend!

Louise Brown
