Week One

The very first week in our new school has been enjoyed by everyone. The week started on Monday with a visit by CBF who rang the changes with the school bell to announce that schooling was starting in our new building.

We had a successful if slightly wet, fire drill on Tuesday afternoon. It was important for the safety of everyone that we did this to make everyone familiar with the new siren, evacuation routes and assembly points.

Later in the week, we were pleased to welcome the chefs from CRS who helped each child produce a beautifully decorated and very delicious, Halloween biscuit. Most were eaten in school; some made it home for you to see.

Enjoy the weekend!

Gary Margerison—Head Teacher

Mrs Summers is the School Safeguarding Lead and Mrs Deane is the Deputy.

School Lunches

We have been able to make even more improvements to our school lunches. This week we have been able to serve some old favourites and some new dishes. Photos below show the food served Monday to Thursday of this week.

In addition to school lunches, there is also the option of bringing a packed lunch from home.

Chinese Park with rice

Fish fingers with jacket potato

Chicken with chips

Pizza with jacket potato

CBF Coins

Congratulations to the teacher and support staff who were recipients of CBF coins on Monday. Brigadier Sawyer recognised the hard work and dedication of the staff to ensure the school was ready for the opening day and their on-going commitment to the education of children at Mount Pleasant.

School Opening Ceremony

We intend to have an opening ceremony on the afternoon of 20th November and we would like to invite all parents to the event from 13:30 to 15:00.

The afternoon will take the form of an opening ceremony with children performing with refreshments to follow. Mr Mike Cooper, the MoD Director of Children and Young People, will be opening the school.

The children will be involved in the afternoon by performing poetry, songs and playing instruments.
