13th March 2020

Mother's Day Gifts

Thank you to the PTA for arranging a Mother's Day Gift Wrapping Session on **Thursday 19th March between 13.00–15.00**. What a lovely idea that I know will be a lovely treat for all the Mums out there! If you have any donations, its not too late to drop them off on Monday. If any Dads are able to donate their time, please get in touch too.

Children need to bring £1.00 in on the day to purchase a gift.

Parent and Child Play Session

Just another reminder that on **Tuesday 17th March 15.00 - 16.00**, Rebecca Wakefield, Chief Community Development Officer, Army Welfare Services, will be holding a Parent and Child Play Session in the school hall. She is here as part of a DCYP visit and is looking at the 'lived experience' of families based at MPC. All families are welcome to come along. This will give Rebecca the opportunity to talk to both parents and children about their experience of living here, the opportunities available and the limitations in place. Rebecca has a tight schedule and we wanted to give families the opportunity to speak to her while she is on -island, unfortunately this clashes with clubs.

Construction & Yoga Clubs will therefore be cancelled this week

Charity Gurkha Curry Night

Please see the attached flyer advertising a Charity Gurkha Curry Night, on **Saturday 21st March at 19.00**, in aid of Mount Pleasant School. We feel very valued that members of the MPC community are taking the time to fund-raise for us.

Covid-19

I just wanted to reassure you that I am in daily communication with colleagues in DCYP and BFSAI to ensure that I have up-to-date information and input into plans and communications. School will remain open as normal, and we will keep you informed if any changes occur. Please refer to the letter and poster we sent out on March 2nd for further information.

We will continue to be vigilant in ensuring that all children maintain high levels of hygiene throughout the school day.

Have a good weekend
Louise Brown
