Mother's Day Gifts

A huge thank you to the parents who supported the Mother's Day Gift Wrapping Event in school yesterday! Also, thank you again to the PTA for arranging this thoughtful event.

In uncertain times, it was lovely to be able to help the children prepare for Mother's Day. I suspect that many children were furtively hiding their gifts around the house when they came home from school...

Covid-19

I continue to be in daily communication with colleagues in DCYP and BFSAI to ensure that I have up-to-date information and input into plans and communications. School will remain open as normal, and we will keep you informed if any changes occur. We will continue to be vigilant in ensuring that all children maintain high levels of hygiene throughout the school day.

Wellbeing

As our situation here continues to change and impact on the way we live, we are aware that some children may feel increasingly anxious. I would like to reassure you that we are working as a staff to keep school as normal as possible. We will also use some assemblies, PSHE sessions and other opportunities to remind them of the advice for staying healthy, to reassure them and answer any questions in a child-friendly way. We will of course let you know if your child appears to be overly anxious.

Have a good weekend!

Louise Brown
