

# Mount Pleasant Extra!

Newsletter  
12th June 2020

Dear Parents,

I hope this letter finds you well. It is lovely having all the children back into school.

## Staffing Update

I wanted to update you on the changes with our staffing in Y3/4 Falcons. From Monday Mrs Hughes will be undertaking increasing responsibility for Y3/4. Mrs Cornish will continue to support the teaching and learning in Y3/4 as she had done throughout this academic year.

I will continue to retain overall responsibility for the Y3/4 class alongside Mrs Hughes to ensure that transition continues to be smooth.

I will also teach Y4 maths until the end of the academic year.

We've enjoyed welcoming Mrs Hughes into Y3/4 Falcon class and we hope that you get the opportunity to meet her soon.

## Restrictions

We are aware that restrictions are changing across base. Mrs Brown is in discussion with DCYP regarding the extent to which we can amend our re-opening measures and conditions. However, we do anticipate that any changes would have to be agreed in consultation with the trade unions as before.

Kind Regards

Mandy Summers.
