

Dear Parents/carers

We have had such a busy half term. The trip to Pembroke Lighthouse for Y5/6 and their meeting with the conservationist was thoroughly enjoyed by all. EYFS and KS1 enjoyed a fantastic visit from JSPSU which linked to their learning about consequences and people who help us. The Police staff engaged the children with super, well thought out activities which furthered the children's learning and inspired them. The police team were absolutely amazing in the way they spoke to the children, shared knowledge at their level and were enthusiastic towards the children's interests. A big thank you to them and of course Molly the search dog who created a huge amount of excitement for us all!

I wonder who got caught speeding???

Falkland Islands Tourist Board Competition.

We have had some super entries from all classes for the Falkland Island Tourist board competition. There are some very creative pieces of work which really showcase the beautiful place in which we are all privileged to live and work.

Thank you to everyone who has entered the competition.

Good Luck to All!

Enrichment clubs

Enrichment clubs will start on Tuesday 3rd November and run for 4 weeks up to and including 24th November. We have exciting activities planned so hopefully the children will enjoy their chosen activity and have fun whilst learning new skills.

New member of staff

A warm welcome to Mrs Scott who has joined our staff team at MPS as a supply teacher. We are working hard to complete clearances and we are really looking forward to working with Mrs Scott!

Christmas is coming!

The children are busy rehearsing for their Christmas play which I'm sure you will all be looking forward to. A big 'Thank You' to Miss Sear who once again has taken hold of the reins and is organising something special for us all! Further information will follow.

Leavers

We had to say 'Goodbye' to Amelia Brady this week who has been a delightful member of Y5/6 Meadowlark class, she will be greatly missed by all children and staff. Amelia created a PowerPoint about where she is going to live and her new school and shared it, all with a smile, with Meadowlark class. We learned about Amelia's 2 cats, 2 rabbits and how she would also like to add an Angora rabbit to her pet family!!

Mount Pleasant Extra!

23.10.2020

Remembrance

As we approach the time of 'Remembrance', MPS will have poppies and other remembrance goods available in school from Monday 2nd November. If you would like to send your child in with money to make a donation, they can choose from the items we have and the money will be collected by BFSAI.

Special Mentions

Mr Deane would like Freya Chohan to have a special mention this week for amazing effort and outcomes in her maths assessments this week. Well Done to our super mathematician – Freya.

A special mention to Mrs Hart who, due to her ongoing study, recently received a scholarship to pursue further, higher education! Mrs Hart we are all immensely proud of you!

HEAD TEACHER'S awards this week go to:

William Clark, Amelia Brady (something positive from the flight being delayed - we were all delighted to see her in school this morning!) Lara Chohan, Charlie Dunn, Tilly Pummell, Merrilees Belcher, Alice France, Matthew Brown and Morgan Scott.

Well done to you all for setting a super example in the lunch hall this week.

Have a great half term!

We look forward to seeing you on the 2nd November!

From all of us at Mount Pleasant School.
